/experience

Fullstack Developer (Internship) Jul 2025-Dec 2025
/Fullstack Developer at PT. Ciptadra Softindo

I interned as a **Fullstack Developer** at **PT. Ciptadra Soft Indo**, where I worked on over a dozen projects using **Laravel**. I built and improved API-based features for platforms like cms.cration.id and hainickreatif.com, handling both backend logic and frontend UI with **Next.JS** & **Tailwind CSS**.

Frontend Developer (Next.js) 2025
/Developed an interactive web using **Next.js**

I also developed a dynamic and responsive personal portfolio using **Next.js**, which you can view at projectravel-portofolio.vercel.app. This project sharpened my frontend skills, particularly in building interactive and **modern user interfaces**.

Backend Developer (Laravel) Dec 2024- Mar 2025
/Backend Developer at Dagah Jaya Niaga

Worked as a **Backend Developer** at **Dagah Jaya Niaga**, building an inventory management system using **Laravel**. Handled database design, CRUD operations, authentication, and API integration to streamline product tracking and stock management.

(IT Instructor) Jan 2024-Feb 2025
/IT Instructor at "Commit" Community - SMK Wirabuana

As an IT instructor in the "**Commit**" community at **SMK Wirabuana**, I teach students web development basics like **HTML**, **CSS**, **JavaScript**, **PHP**, **Laravel**, and **ReactJS**. Trusted by teachers to lead this initiative, I focus on practical, project-based learning.
